SETTLEMENT AGREEMENT
BETWEEN
SHEFA LMV, INC.
AND
TRI-COASTAL DESIGN GROUP, INC.

Shefa LMV, INC. (hereto referred to as "Shefa") and Tri-Coastal Design Group, Inc. (hereto referred to as "Defendant"), (Shefa and Defendant collectively referred to as, the "Parties") enter into this agreement ("Settlement Agreement") for the purpose of avoiding prolonged and costly litigation to settle Shefa's allegations that Defendant violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the "Effective Date").

1.0 Introduction

1.1 Shefa is a California-based public benefit corporation that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges that Defendant manufactures, imports, sells, or distributes for sale in the state of California product(s) that contain DINP (Diisononyl Phthalate) without first providing the clear and reasonable health hazard warning required by Proposition 65.

1.3 Defendant previously sold, at various times phone charging wallet products, including but not limited to, the Liz Claiborne Phone Charging Wallet; UPC888273607542 (referred to throughout as the "Covered Products").

1.4 The Covered Products are limited to those sold by Defendant only.

1.5 Shefa alleges that Covered Products contain DINP (Diisononyl Phthalate) and that Defendant did not provide a required warning in compliance with the California Safe Drinking

Water and Toxic Enforcement Act (Health & Safety Code § 25249.5, *et seq.* ("Proposition 65")).

1.6 On December 20, 2013, the Governor of California added DINP (Diisononyl Phthalate) to the list of chemicals known to the State to cause cancer. This addition took place more than twelve (12) months before Shefa served its "60 Day Notice of Violation" which is further described below

1.7 DINP (Diisononyl Phthalate) is referred to hereafter as the "Listed Chemical".

1.8 On or about July 10, 2017, Shefa served Defendant, as well as certain relevant public enforcement agencies with documents entitled "60 Day Notice of Violation" regarding Covered Products containing the Listed Chemical.

1.9 The Sixty-Day Notice (referred to as "Notice") alleged that Defendant violated Proposition 65 by failing to warn consumers in California that use of Covered Products exposes persons to the Listed Chemical. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations against Defendant.

1.10 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65 (the "Dispute").

1.11 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law.

1.12 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by Defendant, its officers, directors, employees, or

parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.13 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or Defendant may have against one another in any other pending legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, acting in its individual capacity, and not its representative capacity, on the one hand, and (a) Defendant, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively "Releasees"), and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products only, including but not limited to J.C. Penney Company, Inc. and other distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2 The Covered Products are limited to those sold by Defendant. Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or

indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Products sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Products or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.3 Shefa acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 Defendant's Duties

3.1 Defendant agrees, promises, and represents that, as of the Effective Date, to the extent it ships or sells any Covered Products in existing inventory that have not been reformulated, it will provide warnings on such Covered Products that comply with Proposition 65.

3.2 For purposes of Section 3, "reformulated" shall be defined as those Products containing the Listed Chemical in concentrations less than or equal to 1000 parts per million ("ppm") (.1%) when analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other scientifically reliable methodology for determining the Listed Chemical content in a substance of the form of the Covered Products herein.

3.3 The warnings shall be provided in such a conspicuously and prominent manner that will assure the message is made available and likely to be read, seen, or heard by the consumer prior to or at the time of the sale or purchase.

3.4 The Parties agree that product labeling stating that **"WARNING: This product contains chemicals known to the State of California to cause cancer."** shall constitute compliance with Proposition 65 with respect to the Listed Chemical in the Covered Products for any Covered Products in existing inventory that had not been reformulated and were distributed and/or sold by Releasees or Downstream Releasees after the Effective Date.

3.5 None of the above in Section 3, shall be read to contradict or diminish the release(s) contained within Section 2.1.

Greenbaum, as Shefa's attorneys, for reasonable investigation fees and costs, attorneys' fees, and any other costs incurred as a result of investigating and bringing this matter to Defendant's attention. The check shall be delivered to: Daniel N. Greenbaum, 7120 Hayvenhurst Avenue, Suite 320, Van Nuys, CA 91406. By the Effective Date, Law Office of Daniel N. The prevailing party shall be entitled to its reasonable attorneys' fees and costs associated with such enforcement.

11.2 No action to enforce this Settlement Agreement may be commenced or maintained, and no notice of violation related to the Covered Products may be served or filed against Defendant by Shefa, unless the party seeking enforcement or alleging violation notifies the other party of the specific acts alleged to breach this Settlement Agreement at least 90 days before serving or filing any action or Notice of Violation and the entity receiving the notice fails to comply with the requirements set forth in Section 11.3 below. Any notice to Defendant must contain (a) the name of the product, (b) specific dates when the product was sold after the Effective Date in California without reformulation, (c) the store or other place at which the product was available for sale to consumers, and (d) any other evidence or other support for the allegations in the notice

14.1 The Terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

14.2 In the event that Proposition 65 is repealed, preempted or otherwise rendered inapplicable by reason of law generally, or as to the Covered Products, then Defendant shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, any Covered Products that are so affected.

15.0 MODIFICATION

15.1 In the event OEHHA re-designates a No-Significant Risk Level ("NSRL") for the Listed Chemical, which Defendant asserts would allow for the Products to contain levels of the Listed Chemical in amounts greater than those set forth above in Section 3.1, Defendant may provide written notice to Shefa of any assertion and the Parties shall confer within 30 days to attempt to agree upon positional modification of this Settlement Agreement. Should such attempts at informal resolution of a modification fail, and in the event Defendant still intends to change its reformulation obligations, Defendant will provide written notice to Shefa of its intent to adopt a modified compliance standard. Upon receipt of Defendant's notice, Shefa shall have the right to enforce the terms and conditions contained in the Settlement Agreement by motion or any other available remedy at law, with the sole issue to be adjudicated being the technical question of whether the NSRL would allow for a higher Listed Chemical content in the Products than that set forth in Section 3.1.

15.3 In the event that any future settlement agreement or court approved consent judgment entered into by Shefa involving another party, sets out a reformulation or compliance standard below that which is found in section 3.1 above, for the Listed Chemical in substantially
